The screenshot shows the PaychekPLUS! website interface. At the top, there's a navigation bar with links like 'My Account', 'Using My Card', 'My Card Features', 'Rewards and Discounts', and 'Help'. A user is logged in as 'John'. Key account information is displayed: Card Number (4888 4158 4333 8815), Card Balance (\$1,417.00), and Available Balance (\$42.00). The 'My Rewards' section shows a total cash back earned of \$15.00. A 'Text Alerts' section offers to get balance alerts. The main area is titled 'My Card Activity' and shows a 'Monthly Summary' for the month of 01/2016. A table lists transactions with columns for Date & Time, Transaction Description, Reference Information, Base Amount, Fee, Total Amount, and Available Balance. The table shows three transactions: a POS Purchase at Office Depot Jacksonville, FL for \$25.00; a POS Purchase at Chevron #7895 Houston, TX for \$10.00; and a POS Purchase at Fast Lanes Hot Springs, AR for \$7.00. A fourth transaction, an ACH Deposit from ABC Company San Diego, CA for \$900.00, is also listed.
